Warranty Information

Please read all of the information carefully and contact your distributor or supplier with any issues.

Parts List

Important: Before you begin please count and inspect all pieces.

1 - Demo Table

Assembly Instructions

Step 1

Pull ends apart from each other to open and unfold the table. Lay the table upside down and flat on the floor.

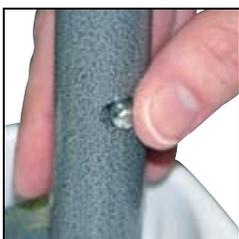

Step 2

Move latch to locked position.

Step 3

Pull legs out and up, until they are straight up and down.

Step 4 (optional)

Adjust legs to desired height. Push in silver buttons on both legs and pull up on legs until you hear it snap into place. Legs have 3 different height levels, repeat until desired height is reached. Do the same on the other side.

Assembly Instructions (cont.)

Step 5

Flip table over, and stand it on its legs.

Disassembly Instructions

Flip the table upside down, and lay flat on the floor. Shorten legs to the minimum height by reversing Step 4 of the assembly instructions. Then push the legs down until they lay flat on top of the table. Move the latch to the unlocked position and fold the table up.

Storage Instructions

Store in a cool, dry place, preferably in the box it shipped in.

Care Instructions

Spot clean with mild cleaner and damp cloth.

Warranty Information

All products are designed to provide the user with a cost-effective and durable product. Standard warranty is a 'one year parts and labor' warranty which warrants product against defects in material and workmanship. It does not cover damage due to accidents, abuse, or normal wear and tear. Products found to be defective will be replaced or repaired at factory's discretion.
